

ADVANTAGES

Light and large-format, it permits creating infinite spaces where joins are minimised. The sensation of continuity means that minimalist rooms are achieved where the porcelain floor subtly blends into the decorative setting.

INALTERABLE COLORS THAT

FINISHES

The surface of this latest-generation porcelain product is available in different finishes depending on range and/or color.

Natural

A classic and elegant bet, which allows the porcelain to show all its beauty without visual additions. The Natural finish protects the surface exposing its powerful original appearance.
