

## 1. TECHNICAL CHARACTERISTICS AS PER THE RELATED STANDARD

### TECHNICAL CHARACTERISTICS

iTOP is a non-toxic environmentally-friendly product that complies with European legislation under current EU regulation no. 305 of the European Parliament and the Council and other specific standards.

All first-choice products by INALCO comply with and even surpass ISO standards 13006 and EN 14411.

INALCO also has an internal Quality Control System, which it applies to the whole manufacturing and storage process.
